December 12, 2017

Greetings Brethren!

The work at BibleWayMedia continues to grow and encourage others. We receive words of thanks and appreciation for our materials often. We get these notes from others across the nation and from around the world. We are thankful for your support that makes it possible for us to teach the truth and encourage others throughout the world.

Our “BibleWay-classroom” has reformed into “BibleWay-supplements”. Our instructors are now working with the “Online Academy of Biblical Studies” to provide free Bible instruction to those who wish to become preachers and those who just want to grow in the knowledge of God.

BibleWay-supplements will provide supplemental classes for OABS. These are classes that are not included in the regular OABS curriculum.

At BibleWayMedia we continue to do our very best to use every dollar in our budget the best way possible in order to reach the lost and encourage the faithful. We are in a position to break the 40k weekly listener mark within the next few weeks and our current cost per listener is only 7 cents! We know such an

amazing work would not be possible without the power of God’s Word and the support of faithful brethren. We ask that you please continue to keep this good work in your prayers and that you will also remember us as you prepare your budgets for 2018. Feel free to contact us with any questions you may have. We thank you for your support!
