Proclaiming Truth and
Encouraging the Brethren

Quarterly Newsletter

Sept 26th, 2017

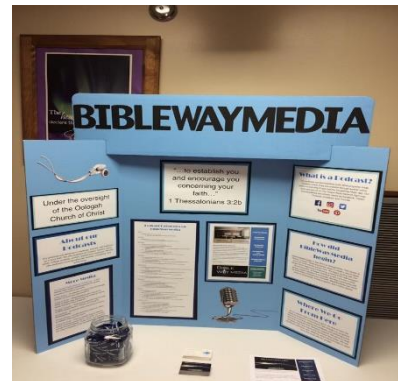

Dear brethren,

We greet you with great excitement! We are so grateful for your support and prayers for this good work. Without such, it would not be possible.

Our podcast listener numbers continue to increase. Since our June newsletter our weekly listeners have increased by 20%! Where the word of God is presented in truth, the possibilities truly are amazing. We know God gives the increase and we give Him the glory for all that has been done because of His enduring Word.

This year we were able to set up a display at the Mid-West lectures at the 39th Street Church of Christ in Independence, MO. We have done this before and were grateful to be able to do so again. My wife Lisa and Rebekah Praschnik put the display together. I am grateful for them doing so as “professional” displays can be quite expensive. There was great interest in BibleWayMedia and we are grateful for the support of the 39th Street congregation.

While at the lectures I was able to visit with Wayne Brewer. Wayne labors with the Lord’s church in Mabelvale, AR and he does mission work in many Spanish speaking countries. While at the lectures He agreed to do a podcast for our Spanish listeners. We are grateful for this, as this will give even more people the opportunity to hear the gospel. We hope to begin this new podcast soon. That is it for now. Be sure to check out the attached “by the numbers” update as well.

Feel free to contact us with any questions you may have. We thank you for your support!

Your Fellow Laborer,

Russ Earl
