

## BibleWayMedia Newsletter

April 30<sup>th</sup>, 2018

Greetings Brethren!

Once again we want to thank those who support this work of sending out the written word in spoken form to the world. We are truly grateful and thankful for those who support this work. We appreciate your prayers as well as your financial support and for supporting this work in general. Thank you for encouraging us in this way.

Since our last newsletter things continue to go well. Our spring supplemental class “How to study the Bible” with Landon Rowell was well done and well received. We appreciate his time and study on this topic and are grateful for the work he does with BibleWayMedia.

Supplemental classes will resume in August and I will be teaching a class on the topic of “Godly Leaders”. Other classes for the fall semester will be announced soon. We are grateful to be able to work with oabs.org in this endeavor.

Our listener base continues to grow and we continue to receive encouraging words from listeners every week. Our network of podcasts currently reaches over 53k weekly listeners. Our podcasts continue to be heard by those in almost every state and numerous countries throughout the world.

Another encouraging note are the upcoming Mid-West lectures in Independence, MO in September. We strive each year to make this lectureship available on our “Special Editions” page and we hope to do so again this year. I was asked to speak at the lectures again this year and am already looking forward to this time of encouragement and fellowship. If you are able to attend the lectureship we strongly recommend you do so.

Each spring we have a theme week entitled “Redemption Week”. This is a week when podcasts focus on the topic of redemption and salvation. It is always an uplifting week of lessons. This fall we are planning another theme week and will be announcing that theme soon.

We ask that you will keep all of us in your prayers as we do all we can to encourage and teach others using the Word of God. If you have any questions or comments please contact us. If you are interested in supporting this work or if your congregation would like a presentation of the work please contact us so we can schedule a presentation.

We thank you for your prayers and support in this endeavor. To God be the Glory!

Your Fellow Laborer,

*Russell Earl*
